

Stretch and Save / Utilize and Sell

Do you really need a forklift upgrade?

Stretch the life of your Isilon Cluster for that 4th year and beyond, and save 50% on the renewal. Use it for the year, enjoy the savings and then sell the gear back to us. Save money on one end and make money on the other.

Scale Logic provides:

- *50-70% savings on post warranty support, 4th and 5th year....*
- *Customized SLA's / i.e.: 24x7x 4 hr, or 5 x 9 x NBD*
- *Onsite spares kits for every install location*
- *Dedicated operating system support*
- *Better than EMC response times – 11 min. average*
- *Call home feature*
- *Assigned technician to your account.*
- *Level III EMC/Isilon certified engineer on the 1st call.*
 - *US-based call center*
- *Add capacity*
 - *Re-certified nodes and clusters; buy or rent*
- *Infrastructure re-purposing*
 - *Disaster recovery*
- *Data migration*
 - *Safe and secure*
